

YOU'RE INVITED TO A **ZOOM WEBINAR**

**RURAL NURSES  
NEW ZEALAND**  
Nga nahi tuawhenua o Aotearoa

# COVID-19 UPDATE WEBINAR

WEDNESDAY  
6TH MAY  
7PM - 8PM

**BEN HARRIS** Medical Microbiology Scientist  
NZ Infection Prevention & Control Consultancy, Christchurch, NZ

Ben registered as a Medical Laboratory Scientist in 1978. Since then he has had an extensive career in the Diagnostic Microbiology Laboratory field. In 1996, he Co-founded and was the Director of EnviroLink Laboratory Ltd (NZ food and water testing laboratory – microbiology). He has numerous publications on mycology, respiratory and urinary microbiology.

**HIS TOPIC WILL INCLUDE:**

- The New Zealand approach to COVID-19 in comparison to other countries
- Hindsight of what the pros and cons are for each approach including vaccination progress, treatment progress, case definition pitfalls, testing pitfalls, etc
- What has worked well to date, unexpected consequences, etc
- Where to now including exit strategies
