EARLY PREGNANCY PROBLEMS WEBINAR

WEDNESDAY
23RD SEPT
7PM - 8PM

KATE COFFEY

Consultant - Obstetrics and Gynecology, Otago

Kate is an Obstetrics and Gynecology consultant and a Senior Lecturer at the University of Otago in Women's Health. She works as a generalist obstetrician and gynaecologist at Southland Hospital, Invercargill, and at the University in Dunedin. Her special interests include lower genital tract disease, cervical cancer prevention and colposcopy; obstetric risk management, and teaching including interprofessional education.

HER PRESENTATION WILL INCLUDE MISCARRIAGE, ECTOPIC PREGNANCY AND MOLAR PREGNANCY:

- How they present
- Diagnosis and management
- Problems and pitfalls
