

YOU'RE INVITED TO A **ZOOM WEBINAR**

# IMPROVING MEDICINE ACCESS EQUITY IN PRIMARY CARE

WEDNESDAY  
21ST OCTOBER  
7PM - 8PM

PHARMAC is dedicated to achieving medicine access equity in Aotearoa so everyone has a fair opportunity to reach their full health potential. Sandy Bhawan will talk us through the research and approaches developed by PHARMAC to reach this goal.

Dr Emily Gill will then talk about how this can be achieved, using the example of her work in the Te Whānau ā Apanui Community Health Centre, a remote rural practice in the Eastern Bay of Plenty.

**Presenter:**  
**SANDY BHAWAN**

*RegPharmNZ, FPS,  
Manager of Access Equity  
at PHARMAC*

**SANDY BHAWAN WILL COVER:**

- PHARMAC's focus on medicine access equity
- Priority populations and conditions
- How you can make a difference

**Presenter: EMILY GILL**

*MBChB, BMedSci, FRNZCGP, Rural  
General Practitioner, Researcher and  
Senior Lecturer in the department of  
General Practice and Primary Health  
Care, University of Auckland.*

**DR GILL WILL COVER:**

- Improving medicine access equity in remote rural areas
- Case study: Te Whānau ā Apanui Community Health Centre

**REGISTRATIONS REQUIRED**
