IMMUNISATION UPDATE WEBINAR

Daytime
webinar

**TUESDAY
10TH NOVEMBER
1PM - 2PM**

Jude Young

*Education Facilitator for
the Midland region and an
Advisor on the 0800 line*

The Immunisation Advisory Centre (IMAC) is a nationwide organisation based at the School of Population Health at The University of Auckland, who provide New Zealanders with a local source of independent, factual information based on international and New Zealand scientific research regarding vaccine-preventable diseases and the benefits and risks of immunisation. IMAC also provide information and training for health professionals, national immunisation coordination and policy advice and research into many aspects of vaccines and vaccine-preventable diseases. Jude Young currently works as an Education Facilitator for the Midland region and an Advisor on the 0800 line. Maria Crawford also works as part of the IMAC Midland team, as an Immunisation Education Facilitator, based out of Hamilton.

HER TOPIC WILL INCLUDE:

- General immunisation overview
- Latest changes to the National Schedule
- Priority Groups – pregnant woman, adolescents
- Common Myths & Immunisation Conversations

Maria Crawford
