MANAGING URINARY CONDITIONS IN ADULTS WEBINAR

Daytime
webinar

**THURSDAY
26TH NOVEMBER
1PM - 2PM**

Janet Thackray

*RN, RM, DN(Dip), PG Cert(Hlth.Sci)
Continence Specialist Nurse*

Janet has been nursing for over 47 years in the UK and NZ mainly in Primary Care; the last 20 years in the continence field as a CNS. She has a private business seeing patients in their own homes and educating nurses in rest homes and general practice. She is passionate about helping people manage their incontinence, and raising awareness that incontinence is not a normal part of being elderly or female.

HER TOPIC WILL INCLUDE:

- Urinary incontinence - stress and urge in men and women

REGISTRATIONS REQUIRED
